

Hardware and Software Requirements

Learners participating in online courses should have access to hardware that meets or exceeds the following standards. Students with access to equipment that does not meet these standards may experience slow interactivity, limited interactions and wait periods for file downloads.

Please note that your browser must have cookies enabled.

Browser Support

Browser	Supported Browser Version(s)
Microsoft IE or Edge	Latest
Firefox	Latest
Chrome	Latest
Safari	Latest

Device Support

Desktop and Laptop Computers	Tablets and Mobile Devices
